## Blundstone Arena Function Centre

provides the ultimate world-class and picturesque backdrop for your wedding reception. Our menus are inventive, balanced and we use the freshest of seasonal Tasmanian produce.

Arguably Tasmania's finest wedding reception venue, our stunning new function space opened in 2015 and offers breathtaking views, an outdoor entertainment area and numerous function spaces with floor to ceiling glass walls and panoramic views across the Derwent River. Featuring a private entrance and foyer spaces, separate kitchen and bar facilities and access to free off-street parking, you really need to look no further.

We can cater for up to 350 guests or the space can be customised to provide a smaller and intimate reception if required.
